- II. Championships
 - a. See changes to ages and qualification requirements. Posted on SoCal region discussions facebook group, as well as ponyclub.org
 - b. ***Each club/center needs to get headcount of those hoping to qualify for champs
 - c. holding a qualifying rally is more expensive than a non-qualifying rally because of having an approved CHMJ (chief horse management judge) A modified rally is the new term for a rally that adheres to the rulebook but doesn't use a nationally approved CHMJ
 - d. Once it is established who wishes to qualify/actually qualifies for the rally, we can form a Champs committee. This committee helps organize logistics and details that accompany champs.
 - e. Region pays for entry fees, individuals pay transport of horse/rider and accommodations
- III. Upper Level Testing
 - a. Centers and Clubs need to head count how many members will apply for upper level testing including riding and HB/HA tests.
 - i. Need to form committee
- IV. Stay informed and connected!
 - a. Regional DC/CA call-in meetings. Next is February 4th @ 8 pm
 - b. USPC So Cal Region discussion page. Please add your members. This is for club/center/region announcements, horses/tack for sale, invitations for inter-club activities, and to build a sense of community between centers and clubs. This is a private group. Anyone in the group may post!
 - c. Southerncalifornia.ponyclub.org is our regions website. The calendar is up to date with dates, times, locations, and contact info for regional activities. Activities are added to the calendar as they are approved by the region
